District School Warrant.

The State of New Hampshire.

(L.S.)

*To the inhabitants of the School District of the Town of Conway,
qualified to vote in district affairs:*

You are hereby notified to meet in the town house in said district on the 16th day of March, 1901, at ten o'clock in the forenoon, to act upon the following subjects:

ARTICLE I

To choose a Moderator for the ensuing year.

ARTICLE II

To choose a Clerk for the ensuing year.

ARTICLE III

To choose a Treasurer for the ensuing year.

ARTICLE IV

To choose a member of the School Board for the ensuing three years.

ARTICLE V

To choose a member of the School Board for the ensuing two years.

ARTICLE VI

To see what sum of money, in addition to that required by law, the district will raise and appropriate for the support of schools for the ensuing year.

ARTICLE VII

To see what sum of money the district will raise and appropriate for repairs on school buildings for the ensuing year.

ARTICLE VIII

To see what sum of money the district will raise and ap-

propriate for insurance and water for the ensuing year.

ARTICLE IX

To see if the district will vote to build a school-house at Intervale.

ARTICLE X

To see what sum of money the town will raise and appropriate for a school-house at Intervale.

ARTICLE XI

To see if the district will vote to authorize the School Board to unite with one or more town districts or special districts to form a supervisory district for the purpose of employing a superintendent of the public schools therein, under the provisions of Chapter 77, of the Session Laws of New Hampshire 1899.

ARTICLE XII

To hear the reports of agents, auditors, committees, or officers heretofore chosen, and pass any vote relating thereto.

ARTICLE XIII

To choose agents, auditors, committees, in relation to any subjects embraced in this warrant.

ARTICLE XIV

To act upon any other business that may legally come before this meeting.

Given under our hands at said Conway this 20th day of February, 1901.

Auditors.

Our Town Schools.

There is no doubt that the standard of teaching in the schools has constantly been raised of late years, until now the scholars who go from Conway to attend higher schools in other towns, stand second to none in respect to the "fit" they have had to enter a High School or Academy. Prof. Edwin H. Lord, principal of Brewster Free Academy, recently told one of our teachers that no students came to his school better prepared to enter it, than those from the town of Conway.

That so satisfactory educational condition exists, the School Board believes is due to the increased interest of the citizens in our schools, and the reasonable appropriation voted, of late years, for their support.

For its part, the School Board has endeavored to expend the money raised as judiciously as possible, and with careful economy. The cost of maintaining the Redstone school and also the North Conway grammar school has considerably increased, and this additional expense will be permanent, as appears now. At Redstone, as there are 65 scholars, there are now two schools, a grammar and primary-intermediate; while at North Conway it has been found necessary to employ an assistant for the grammar school, classes being heard in a recitation room. (It may be remarked that the grammar room has seats for forty-five pupils, and that at the fall and winter terms there were fifty in attendance.)

We earnestly urge that the sum of \$2200 be raised for the support of schools this year.

So much has been done of late to put the school-houses in good condition, that this year all that will be wanted is an appropriation for general repairs. The North Conway village school-house needs to be re-painted, that will be the largest bill, and minor repairs are needed, as they are sure to be needed each year, at all the school-houses. We recommend that the sum of \$300 be raised for repairs on school-houses. (This sum includes the painting of No. 8 school-house.)

We recommend that the sum of \$75 be appropriated for payment of insurance and water bills.

The following has been received by the School Board :
New Hampshire Department of Public Instruction, Concord.

“February 15, 1901.

“To School Boards :—

“Attention is invited to the educational law of 1899, authorizing the formation of supervisory districts. At the school meetings last March, twenty-seven towns authorized their School Boards to enter into combinations with other towns for the purpose of securing expert supervision of their schools. The towns endorsing this principle were so scattered that only one-third of the number were able to form districts, viz :

“1. Troy, Fitzwilliam, and Marlborough.

“2. Newmarket, Durham, and Alton.

“3. Salem, Hampstead, and Fremont.

“It is hoped that the School Boards of the remaining towns will insert an article in their warrants this spring so that the subject of supervision may be brought before the people for discussion. The probability that neighboring towns will not favor the plan should not be allowed to influence any town against it, as it will cost nothing if the Board is unable to enter into satisfactory arrangement for forming a district. Every town endorsing the plan will exercise an educative influence upon its neighbors.”

The State Board of Health, as well as our Town Board, insists that the law with regard to vaccination must be carried out. Certificates of vaccination have been distributed in the schools, and it is requested that at the beginning of the spring

term all pupils shall come with their certificates duly filled out and signed by a physician. We copy the law relating to vaccination, printed on the back of the certificates :

“EXTRACT FROM CHAP. 93, PUBLIC STATUTES OF NEW HAMPSHIRE.

“SEC. 2. No child shall attend any public school unless he has been vaccinated, or has had the small pox.

“SEC. 18. It shall be the duty of the School Board to prosecute offenders for violations of the provisions of this chapter. If they neglect to perform this duty they shall forfeit twenty dollars for each neglect for the use of the district, to be recovered in the name of the district by the selectmen of the town. All necessary expenses incurred in such proceedings shall be paid by the district.

“NOTE. In eight or ten days after vaccination, the child should be seen by the physician, and the result certified to, or re-vaccination should be performed if the first operation was unsuccessful.”

It would seem that as is said of the poor, that they are always with us, so likewise are whooping cough and—especially—measles. The rate of attendance at the Conway village schools and the West Side school would have been higher had it not been for those prevailing epidemics—in fact, those schools were for a time closed, by order of the Board of Health—and attendance at the North Conway primary school would have been better had not whooping cough kept some of the children at home.

But happy would it be for the schools of our town if only measles and whooping cough and their like caused poor attendance at their sessions! The School Board are averse to making much use of the services of a truant officer, as is done among the careless population of cities, and surely it ought not to be necessary in so intelligent a town as ours, and yet some parents do not seem to realize that scholars should be present at school every day and at each recitation; lessons can never be wholly “made up” out of class. The spirit and force, whatever

it is that ineffaceably imprints the lesson on the pupil's mind, is lost, is wanting, and cannot be supplied. It is earnestly desired that the attendance this year may be as nearly perfect as is possible.

Copies of *The Student's Cyclopædia* were last year placed in the Green Hill school, the Redstone school, and the Echo Lake and Conway intermediate schools, besides those provided for other schools the year before. It is believed that the scholars make good use of these reference books and that the money for them is well expended.

Mr. Thomas Emerson, a distinguished fellow-citizen in summer-time, in winter, Superintendent of Woburn (Mass.) schools, has recently presented fifty books (in addition to a number that he had given before) to the McMillan school. These include text-books of various branches, as well as reading books, and all are valuable for reference and supplementary reading.

At Green Hill, the scholars gave an entertainment and raised money enough to buy a handsome flag for their school. They then had a public flag-raising with appropriate ceremonies. The Conway Center school by means of a school entertainment not only realized money enough to pay some one for taking care of the furnace fire, but also bought the beautiful large globe that used to be in the Town Library, and placed it in the grammar room; but instead of handing over the money to the Library trustees, the scholars did a clever stroke of business and obtained permission to expend the price of the globe in books for the Library, buying such books as they themselves might select! Wisdom no less than knowledge seems to be acquired, or somehow imparted, at the Conway Center school.

At Redstone, the grammar school room has lately been adorned with a fine engraving (handsomely framed) of King Humbert of Italy, which Mr. Constantine Cardi presented to the school. Mr. Cardi sent to Italy expressly for the picture.

Miss Bowers, teacher of the Redstone grammar school, and Miss Perkins the primary-intermediate teacher, and the Redstone pupils held a successful fair, the week after the last

term of school closed, for the benefit of a man who lost his leg from an injury received in working at the Redstone quarry.

The North Conway Woman's Club, last autumn bought kindergarten chairs and tables for the village primary school; individual members of the Ladies' Educational League bought a globe for the Kearsarge school, and Dr. and Mrs. Geo. H. Shedd gave a globe to the McMillan school.

Owing to the kindness of Miss Helen Child of Newburyport and Mrs. T. E. M. White of North Conway, the green tinted walls of the Echo Lake school-house are made still more attractive by many beautiful photographs. Mrs. S. T. Pickard, the niece of the poet Whittier, sent to Mrs. Mason, (for the school) photographs of the Amesbury house in which Whittier wrote the poem *Snow Bound*, of the interior of the room in which it was written, and of the desk at which the poet sat while writing it: Mr. T. E. M. White kindly set these in an oblong frame which has been hung under a portrait of Whittier in the North Conway intermediate school, where these pictures have been an inspiration and a help while the class was reading *Snow Bound* in the winter term.

At the last school meeting, Mrs. Blouin's term had expired, and Miss Mary F. Drown was elected a member of the School Board for a term of three years: Miss Drown declined to accept the office, and Mrs. Blouin was appointed by Mr. Fifield and Mrs. Mason to serve until the next election. Mrs. Mason's term is finished this year, and therefore there are two members to be elected to the School Board at this March meeting, one for a term of three years, and one for a term of two years.

Respectfully submitted,

H. BOARMAN FIFIELD,

ABBIE M. D. BLOUIN,

ELLEN M. MASON,

School Board of Conway.
